KIS School Bus Service Information

A. KIS Daily Bus Routes

KIS provides bus transportation for students to commute to school every day. School bus routes mainly cover the southern part of Seoul and Gyeonggi region. KIS provides optimal bus routes daily in the Seoul and Gyeonggi regions. However, KIS often can not meet certain requests related to school bus routes.

Therefore, KIS will be using pick up & drop off locations that are already designated. The designated locations are normally within areas, where many students are currently living or well-known roads are. By this way, school buses can avoid busy traffic on the way to school or home. Parents may choose the most convenient bus stop from the attached 2016-17 bus routes in the package before making payment for school bus.

Students must be at the bus stop on time in the morning for pick-up since school buses wait only for one minute from its scheduled arrival. Otherwise parents will need to arrange their own transportation to school in that morning for their students.

B. KIS School Bus Rule Summary

All students need to adhere to the following bus rules below:

- a. Students must sit in their assigned seats with their seat belts securely fastened at all times.
- b. Students may not engage in disrespectful behavior or manners to the bus monitor, driver, or other passengers.
Students must respect and follow the rules from bus monitor and driver at all time.
- c. Food, beverages, and chewing gum are NOT allowed on the bus.
- d. Students must follow additional rules instructed by the bus monitor or driver for safety.
- e. No dangerous materials (i.e., knives, sharp items, lighters, etc.) are allowed on the bus.
- f. Students are expected to keep their seats clean and are responsible for any damage they cause to the bus.
- g. Students are responsible for their belongings on the bus. (i.e, backpacks, musical instruments, macbook etc.)
- h. MS and HS students are allowed to use the electronic equipment that follows school guide lines, (i.e, Macbook, iPad etc.) as long as they do not disturb other students on the bus.
- i. **Students must carry their ID cards to board the school bus.**

C. Consequences for Violating KIS School Bus Rule

Those who disrespect the bus rules are reported to the principal office for follow-up. For major violations, such as unsafe or inappropriate behaviors on the bus, students can be excluded from the bus service.

For minor violations of the rules:

- a. First offence: Warning is issued.
- b. Second offence: Two-day suspension of bus privileges.
- c. Third offence: Two-week suspension of bus privileges.
- d. Fourth offence: Two-month suspension of bus privileges.

D. Extra-curricular Activity Bus Routes

KIS is planning on running limited bus service for MS/HS students who participate in extra-curricular activities. We ask parents to understand that we only provide this school bus service no other than Gangnam, Bundang and Hannam region.
